Monday's Meeting.

"The Church as an Economic Asset" was the subject discussed at the Monday noonday luncheon of the Kiwanis by Rev. Maud Duff.

pastor of the First Christian church. The pastor emphasized the financial side of the church entirely, and in proving that it is a bankable proposition for any community. The church, he said, reaches a man by getting to the boy or man before the original instinct is developed.

C. E. Henthorne, general secretary of the Y. M. C. A., told of the work which that institution is doing in the community in making better boys and men of those previously under its influence.

The luncheon was held in the dining room of the Y. M. C. A. and at the conclusion of the meeting the Kiwanis were taken on a tour of inspection of the plant.

N. G. Henthorne, president-elect, was present and acted as the chairman of the day.

Verdict for \$11,608 in favor of the plaintiff was returned by the jury in superior court Monday night, before which the suit of Judge John A. Oliphant against John G. Mitchell and J. T. Williams was tried. Oliphant asked for judgment of \$12,500, attorney fees and costs, and later expended in promoting the case defendant Mitchell & Williams insurance co. of Tulsa.

The plaintiff claimed the defendant, president and treasurer of the company in 1909, accepted his money in payment for stock at a time when they knew the financial condition of the insurance company

was not on a sound basis. Attorney George Reeves, for the plaintiff, contended the defendants, officers of the company were responsible for the plaintiff's loss through failure to truthfully state the financial condition of the company.

Special to The World.  
OKMULGEE, Dec. 15.—The \$60,000 residence of E. J. Schock, president of the Indianola Refining company, is in ruins as a result of fire that broke out at 7 o'clock Sunday morning. The gas pressure

in the furnace became low during the night and when it came on strong it ignited the sawdust filling in the brick walls. Water pressure was too low for the firemen to fight the fire in a successful manner. A man's best pal is his smoke

"We're way ahead of the bunch"

—Ches. Field

If you want to play a winner, sure thing—put your money on Chesterfield.

In less than three years, more than three million smokers have become Chesterfield fans.

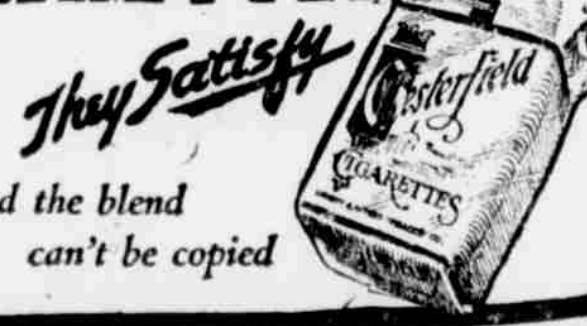

And no wonder! Never were finer tobaccos used in any cigarette. The silkiest leaves of aromatic Turkish and the choicest of ripe, sweet Domestic stock are put together by an exclusive blending method that brings out a new deliciousness of flavor.

"Satisfy"? Right down to your toes! Chesterfields have put added enjoyment into every puff—enjoyment that you don't get and can't get in any other cigarette because the Chesterfield blend can't be copied.
